## OUR 2023 ANNUAL CAMPAIGN WAS A SUCCESS!

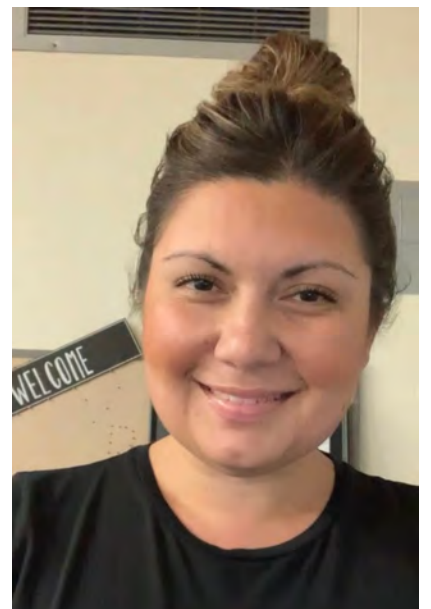

We raised over \$114,000 and we couldn't have done this without your generous support.

Thanks to all of you for helping us to continue to provide the best possible experiences for some of our communities most complex learners.

## PLEASE WELCOME OUR NEW ASSISTANT SCHOOL DIRECTOR FOR SAN JOSE!

I believe building relationships with students and families is important to our students' success. Having 10+ years of experience working in education, I specialize in working with students with disabilities. I have an education specialist credential as well as a master's degree in special education. Thank you for welcoming me to the AchieveKids' team.

Thank you!  
Nicole Meza
