DECEMBER 2024

HAPPY HOLIDAYS FROM ACHIEVEKIDS

At AchieveKids, we take great pride in celebrating the achievements of our students, who continually inspire us with their hard work, perseverance, and unique strengths. Each day, we see students reach new milestones—whether it's mastering a new skill, gaining confidence in their abilities, advocating for themselves, or showing a deeper awareness of their surroundings. These successes, both big and small, reflect the dedication of our students, their families, and our outstanding staff, all of whom work tirelessly to foster an environment where every student can thrive.

As we reflect on the first half of the school year, we are deeply grateful for the progress our students have made and the unwavering support we've received from our school community. We are proud of the AchieveKids mission, the strength of our community, and the passion of our incredible team.

We wish everyone a healthy and happy holiday season and very happy new year.

Stephen R. Crook, MA
Executive Director

SPECIAL DONOR HIGHLIGHT

Aneesha Janbandhu, a junior at Leigh High School in San Jose, founded the Sunshine and Hope Foundation to support underserved and special needs children. Her Science Academy initiative engages elementary and middle school kids with hands-on experiments at local libraries. Driven by inclusivity, she brings her initiative to AchieveKids, ensuring every child can explore the wonders of science. So far our students have had the opportunity to engage in a variety of exciting hands-on projects.

Through these experiences, Aneesha not only fosters a love of science but also promotes an inclusive environment where every student feels capable of discovering and learning. Her commitment to making learning accessible to all children is helping to build a brighter, more inclusive future for the next generation.

What a wonderful way to give back in this season of giving.

DONATE TODAY!

Donate today to help us continue to offer the highest quality education to our community's most complex learners.

Please help us reach our annual campaign goal!

FROM ALL OF US AT ACHIEVEKIDS WE WISH YOU AND YOUR FAMILIES A HAPPY HOLIDAY SEASON AND A HEALTHY 2025.

Playground Upgrades

Funds will be used to purchase upgraded PE equipment and new play structures for our playgrounds

Classroom Outings

The highlight of the week is taking our students out in the community so they can practice first hand the life skills they are learning in our classrooms

Classroom Supplies

Board games, art supplies, creative science equipment, are just a few examples of what our teachers are requesting
